Khazar University alumna, 2023

### BBA in Accounting and Audit

“ Khazar University is an excellent place that prepares and motivates its students for a better future. It is a student-oriented university whose sole purpose is student success. I am glad I decided to join Khazar University as it's helped me to decide on my future career path in auditing and created a flexible environment to study for my ACCA qualifications. I have been working in one of the Big4 companies for two years now.

It is a globally recognized achievement and can get me roles in top businesses and provide me the skills to set up on my own. ”

## Scholarship Opportunities

## Program Overview

The Bachelor of Business Administration program in Accounting is designed to provide students with a solid foundation of knowledge and skills necessary for a successful career as an accounting professional. This program goes beyond the basics, offering comprehensive courses on financial and operational auditing, financial reporting, corporate tax planning, cost analysis, and control. By aligning with ACCA requirements, students can ensure that their education meets global standards for professional accountants. This program not only equips students with the necessary technical skills but also emphasizes critical thinking, problem-solving, and effective communication, preparing them for the dynamic and evolving field of accounting.
