Ramal Guluzada
Khazar University alumnus

BS in Area Studies

“From my point of view, language skills, and knowledge played an important role on my study life. Today, while studying at Baskent University, I really need what I learned during my studies at Khazar University. This indicates that the university is in step with contemporary demands and offers students a high standard of education. Khazar University treats the student as an individual and continues to train individuals.”

Program Overview

The bachelor's program in Area Studies (European Studies, Asia-Pacific Studies, and American Studies) offers students a unique opportunity to delve deeply into the cultures, politics, histories, and societies of different regions. This program is ideal for those with a curiosity about understanding the complexities of languages, societies, economies, and their global interactions. Students can choose one of the concentrations: European Studies, Asia-Pacific Studies, or American Studies, each combining insights from various disciplines, including history, politics, economics, sociology, and languages, providing students with a comprehensive perspective on the multifaceted aspects of these areas.
