Allahverdi Ismayilli
Khazar University alumnus, 2019

BSc in Economics

“ During my time at Khazar University, I was drawn to its reputation for academic excellence, innovative teaching methods, and commitment to fostering a diverse and inclusive learning environment. My experience at Khazar University not only provided me with a solid academic foundation but also equipped me with essential life skills, a global perspective, and the determination to strive for excellence in all endeavors.

I believe that my journey from Khazar University to studying and working in Europe was made possible due to the strong foundation and life-changing experiences I gained at Khazar University.”

Program Overview

The Bachelor of Science in Economics is a rigorous and rewarding program that provides students with a comprehensive understanding of economic theories, concepts, and analytical tools. The program enables students to obtain a solid education across all the sub-disciplines of Economics, that maintains a strong focus on real-world practice. This program blends mathematical and statistical techniques with social science perspectives, which enable students to analyze and understand various economic phenomena, make informed decisions, and contribute to economic research and policy-making. It also fosters critical thinking, creativity, and communication skills that are essential for success in the today's complex and dynamic world.
