Narmin Iskandarli
Khazar University alumnus

BS in Political Science

“ My expectations were very high when I entered the university where my parents studied. Khazar University did not mislead me. I am glad that my path passed through Khazar, which trains qualified specialists for the labor market with the professionalism of both academic and administrative staff, attention and care to students, and most importantly, a good education.”

45 bachelor's and master's programs taught in English.

Program Overview

The Political Science bachelor's program offers a comprehensive exploration of how politics function, encompassing governments, regulations, policies, and global connections. It's an ideal choice for those with a curiosity about government functionality, the influence of political beliefs, and the societal impacts of political decisions. This program is akin to a journey into the heart of how societies are structured and evolve over time.

At the program's core, students delve into a diverse array of fundamental political concepts and theories. The curriculum focuses on the study of global politics, international cooperation, diplomacy, and conflict resolution.
